The main content area is titled "Preview your itinerary" and shows an itinerary for "1 adult". ➔ BOOKING NOTES

This is a **hidden city ticket!**

That means you get out in Calgary (YYC) and skip the following flight(s).

Please take into consideration the following points:

	<p>Carry-on only</p> <p>We recommend only bringing a backpack or small carry-on that can fit under the seat in front of you. Anything larger risks getting checked at the gate, and all checked bags will end up in Los Angeles!</p>
	<p>Bring your passport</p> <p>Be sure to bring your passport with you. The airline will ask for it at Winnipeg.</p>
	<p>You may need a visa</p> <p>This depends on both the country you're going to and the final destination. In your case, you may need a visa to United States if it's required for your nationality.</p>
	<p>Proof of return</p> <p>If the airline requires you to have proof of a return ticket during check-in, simply buy a refundable return ticket, or buy a regular return ticket and cancel within 24 hours.</p>
